

CANADA - carpenter

Revy Renos is a growing residential renovation company located in the small mountain town of Revelstoke BC. The town is home to a world class ski resort and great mountain biking and trail running in the summer. With the popular shift to living in smaller communities in recent years, Revelstoke has been booming and this provides endless opportunities in the construction industry.

We are looking for an applicant with a minimum of 3 years' experience working as a carpenter. Experience in renovations is an asset. Pay will be based on experience.

You will often be working with a team of 3 or 4 others, but you must also be able to work on your own. The applicant must be detail oriented, friendly with clients, hard working, and have a positive attitude. No smoking or loud swearing on site. You need to fit the professional vibe we are trying to build as a company.

Daily tasks will vary greatly being a small renovation company. You must be comfortable doing concrete work, framing, siding and finishing. Our projects range from decks and fences to full house renovations, inside and out. Please state the specific areas of carpentry you have experience with on your resume.

Come experience life in a small Canadian mountain town. We look forward to hearing from you!
